ATTENTION ALL PATIENTS

Regarding Insurance Benefits:

We will file your insurance claims as a courtesy for you and will accept “assignment of benefits” on your behalf. Regardless of what we may calculate your insurance company to pay, it is only an **estimate**. The financial obligation for dental treatment is between you and this office, and is not between this office and your insurance company.

We will do all we can to get the maximum benefits reimbursed for you. Please be aware that some of the services provided may not be covered or may be considered above the “usual and customary.” You are responsible for payment of your account, regardless of any insurance company’s arbitrary determination of “usual and customary” fees.
